About This Content

Are you tired of generic medieval towns in your fantasy games? Get yourself some elvish inspired architecture!

From the creator of the beautiful battler graphics Spirits of Nature: Enemy Pack, this one is another pack full of beautifully drawn elven inspired architecture.

Features:

- Elven inspired architecture.
- An addition to the RTP of RPG Maker MV.
- Includes: Grounds, floors, walls, furniture (shelves, tables, chairs, beds, a bathtub, toilet, etc...) outdoor decoration (ivy, flowers, trees, benches, street lantern, etc), doors, roofs
- Includes: A2, A3, A4, B, C, D, a character sheet for the doors

-
- Especially useful for those who know how to mix and match tilesets to their personal liking. This skill, however, is not required to use this tileset in the first place!
